Member – Organisation for Women in Science for the Developing World (OWSD), 2022

Work Experience

- 1. Mountain Top University (MTU); Department of Food Science and Technology; College of Basic and Applied Sciences, Prayer City, Ibafo, Ogun State, Nigeria (April 2021 till date)**

- **Post:** Lecturer I

(a) Course taught:

FST 201: Introduction to Food Science and Technology

FST 301: Food Microbiology

FST 319: Practical in Cereal, Root and Tuber Technology

FST 405: Food Fermentation Processes
 FST 409: Foods Standard and Laws
 FST 415: Practical in Food Fermentation Processes
 FST 502: Food Product Development
 FST 504: Oilseed Processing and Utilisation
 FST 505: Fruit and Vegetables Processing
 FST 506: Meat and Fish Technology
 FST 511: Fruit and Vegetable Processing Practical
 FST 512: Nutritional Evaluation of Food Processing
 FST 515: Food Science and Technology Seminar
 FST 516: Food Toxicology
 FST 517: Introduction to Food Biotechnology
 FST 520: Practical in Meat and Fish Technology
 FST 801: Research Methodology in Food Science and Technology
 FST 809: Dairy Processing Technology

(b) Project supervised (Undergraduate- B.Sc.):

(i) Production and Evaluation of Dietary Fibre from Citrus Waste for Fortification of ‘Junk’ Foods (Atoyebi, Ayomide Elizabeth (17010501002) **100%- Research complete but yet to be published.**

(ii) Evaluation of Citrus-Waste- Dietary-Fibre Fortified Fast Food for Biochemical Indices in Wistar Albino Rats (Jegade Josephine-Gold; Matric No.: 18010501002) **100%- Research Complete but not yet published**

2. Wesley University Ondo; Department of Food Science and Technology/Nutrition and Dietetics (Jan 2017–April 2021)

KM 3, Ondo-Ife Road, Ondo, Ondo State, Nigeria

- **Post:** Lecturer I

(a) Courses taught: FST 519: Nutrition in Health and Diseases
 FST 516: Toxic Constituents of Food
 FST 512: Food Product Development
 FST 511: Seminar in Food Science and Technology
 FST 506: Foods standard, laws and quality control II
 FST 505: Foods standard, laws and quality control I
 FST 405: Food crops processing and laboratory plant
 FST 403: Cereal Processing Technology
 FST 309: Technical Report Writing in Food Technology
 FST 308: Food Microbiology II
 FST 306: Food Engineering II
 FST 304: Postharvest physiology and storage
 FST 303: Fundamental of food processing
 FST 302: Food Chemistry
 FST 211: Introduction to Food Science and Technology
 HMT 413: Advanced Food Production and Management
 NUD 428: Seminar in Nutrition and Dietetics
 NUD 415: Proposal writing in Nutrition and Dietetics
 NUD 321: Nutritional Assessment
 NUD 224: Nutritional Evaluation (Practical)

(b) Project supervised (Undergraduate- B.Sc.):

- (i) Effect of blending cow milk with soymilk on the quality of yoghurt as functional food (Ernest, Temiloluwa Elizabeth (CAFST/2015/003) **100%- Research Published**
- (ii) Isolation of probiotics from selected Nigerian foods as potential treatment for diarrhoea (Ajejomoni, Elizabeth Damilola; NUD/2015/C/035) **100%- Research Published**
- (iii) Effect of selected local spices on quality attributes of *Zobo (Hibiscus sabdariffa)* drink (Olanrewaju, Temitope Afolabi; CAFST/2012/009) **100%- Research accepted for publication (9 May 2022)**
- (iv) Dietary pattern and nutritional status of in-school adolescents in Ondo West Local Government Area, Ondo State (David, Chinomso Praise; NUD/2014/027) **50%- Research completed but not yet published**
- (v) Impact of nutritional education on dietary habits of students of selected secondary schools in Ondo West Local Government (Akila, Magode Precious (NUD/2016/007) **50% Research completed but not yet published**
- (vi) Effect of reheating on the nutritional, phytochemical, microbial, and sensory properties of *Gbanunu* soup (Oyediji, Oyeyemi Benard; NUD/2017/C/093) **50% Research published**
- (vii) Nutritional status, food intake and consumption pattern of primary health care workers in Ekiti State, Nigeria (Oloro, Olubunmi Rachael; NUD/2017/C/090) **100%- Research completed but not yet published**
- (viii) Investigating the knowledge of eating disorders and its effects on food intake of adolescents from selected households in Ijero-Ekiti, Ekiti State (Omowaye, Mulikat Bosede; Matric No: NUD/2017/C/092) **100%- Research completed but not yet published**

3. Mountain Top University (MTU); Department of Food Science and Technology (2020/2021 1st semester)

Ibafo, Ogun State, Nigeria

- **Post:** Adjunct Lecturer
- **Course taught:** FST 505: Fruit and Vegetables Processing
FST 511: Fruit and Vegetables Processing Practical

4. Lagos State Polytechnics (Laspotech); Department of Food Science and Technology (2018/2019 2nd semester)

Ikorodu, Lagos State, Nigeria

- **Post:** Part-Time / Full Time Lecturer
- **Courses taught:** FST 121: Food Chemistry (ND I)
FST 327: Advance Food Biochemistry (HND I)
